By Megan I am rating this because it this book came to me in a timely manner and in condition as it was described. (Actually a little better than I was expecting). My teacher assigned the Microeconomics book to me but in the 19th edition but told us the 18th was just as good. Go figure Me and a friend of mine got this edition which is the 18th and matched it to my other friend who rented the 19th edition from some place near campus and it was the exact same! The only differences was the cover and the 18th edition had a few long descriptions and a few more examples. I BOUGHT this book for about \$25 and my other friend who RENTED the 19th edition paid \$80. THE 18TH AND 19TH EDITIONS OF THIS BOOK ARE EXACTLY THE SAME IN ALMOST EVERY ASPECT! If you need the 19th edition get the 18th because it saves you money and you still are getting the information you need. 0 of 0 people found the following review helpful.
