This book is the required textbook for my class and it is actually a very good book for learning chemistry. Lots of good practice problems as well. 0 of 0 people found the following review helpful. It was a great

value. By karol I'm very thankful for the rental on this book! It was a great value. 0 of 0 people found the following review helpful. Okay By Jellybeano The book is readable but it is really damaged. I expect them to receive the book and not blame me for the damage. I have picture as evidence. See all 47 customer reviews...
