Rezkin is an elite warrior who aims to restore order in Ashai after Caydean's attack on the King's Tournament transformed former allies and trading partners into enemies. With no army and only a ragtag group of refugees, Rezkin must wrest control of the kingdom from the mad and powerful usurper, who seems bent on destruction, and this may not be the biggest challenge. If he fails, the kingdom will be ripped apart, and Rezkin will have violated Rule 1—to protect and honor his friends—leaving him without country, purpose, or honor. This is the third installment in the King's Dark Tidings series of best selling books! (Must be read in order) King's Dark Tidings Series Book 1: Free the Darkness Book 2: Reign of Madness Book 3: Legends of Ahn Book 4: Kingdoms and Chaos (coming 2018)

To avoid spoilers, I'll say that there is an incredible amount of world building and an introduction of many new characters. Hopefully, book 4 will be released within the next year so I can find the answer to many of the questions that have come up through this reading! 0 of 0 people found the following review helpful. Another good book By Larry H. Another great book to this series and from this author. A continuation of the story arc, there a couple of editing errors towards the end tho, a couple of misspelled words. But, that

didn't distract from the story. I'll be waiting for the next book of this series when it comes out. 0 of 0 people found the following review helpful. I saw that the author managed to keep the same style as before and I thoroughly enjoyed it, just as much as the other two By Ciprian Neacsu I've read some of the comments and I was having some worries about this book. But reading it, I saw that the author managed to keep the same style as before and I thoroughly enjoyed it, just as much as the other two. The story evolved and more of the world was presented than before. I can't wait to read the fourth book. See all 131 customer reviews...
