Review "The Hutchison book does an outstanding job of conceptualizing multidimensional understanding, breadth versus depth, and general knowledge and unique situations."--Diane Calloway-Graham, Utah State University "This text is well written, using fantastic case examples that enhance understanding of the material."--Donna Taylor, University of Arkansas at Monticello "Hutchinson offers a unique text by presenting a melding of theory with practice. Utilizing case examples to highlight this intersection of theory, research, and life experiences, this book truly addresses human behavior in the social environment." --Carla Mueller, Lindenwood University "Of all HBSE texts that have saturated the market, Person and Environment continues to lead the way in thoroughness, structure of content, and relevance for student learning." --Billy P. Blodgett, West Texas A&M University "The Hutchison book does an outstanding job of conceptualizing multidimensional understanding, breadth versus depth, and general knowledge and unique situations."

--Diane Calloway-Graham, Utah State University "The realistic case studies drive home the point that students are preparing to work with real people confronting serious issues--it adds to the professional development we're trying to do in our program."

--Karla T. Washington, University of Louisville "This text is well written, using fantastic case examples that enhance understanding of the material."

--Donna Taylor, University of Arkansas at Monticello "Hutchinson offers a unique text by presenting a melding of theory with practice. Utilizing case examples to highlight this intersection of theory, research, and life experiences, this book truly addresses human behavior in the social environment."

Review "Of all HBSE texts that have saturated the market, Person and Environment continues to lead the way in thoroughness, structure of content, and relevance for student learning." (Billy P.

Blodgett, West Texas A&M University) "The Hutchison book does an outstanding job of conceptualizing multidimensional understanding, breadth versus depth, and general knowledge and unique situations." (Diane Calloway-Graham, Utah State University) "The realistic case studies drive

home the point that students are preparing to work with real people confronting serious issues—it adds to the professional development we're trying to do in our program." (Karla T.

Washington, University of Louisville) "This text is well written, using fantastic case examples that enhance understanding of the material." (Donna Taylor, University of Arkansas at Monticello)

"Hutchinson offers a unique text by presenting a melding of theory with practice. Utilizing case examples to highlight this intersection of theory, research, and life experiences, this book truly addresses human behavior in the social environment." (Carla Mueller, Lindenwood University)

About the Author Elizabeth D. Hutchison, MSW, PhD, received her MSW from the George Warren Brown School of Social Work at Washington University in St. Louis and her PhD from the University at Albany, State University of New York. She was on the faculty in the Social Work Department at Elms College from 1980 to 1987, and served as chair of the department from 1982 to 1987. She was on the faculty in the School of Social Work at Virginia Commonwealth University from 1987 to 2009, where she taught courses in human behavior and the social environment, social work and social justice, and child and family policy; she also served as field practicum liaison. She has been a social worker in health, mental health, aging, and child and family welfare settings. She is committed to providing social workers with comprehensive, current, and useful frameworks for thinking about human behavior. Her other research interests focus on child and family welfare. She currently lives in Rancho Mirage, California where she is active in environmental justice issues facing farm workers in East Coachella Valley.

This book reads like stereo instructions By Frank J. Rocco This book reads like stereo instructions.....

It is super unorganized and references so much information that you have no clue what they are talking about. This would be good at a Masters level or higher, but for a B.S. it has way too much unneeded information that fills your head. They should focus on the main points instead of giving you a history lesson on every topic and technique. This book is literally painful to read. 0 of 0 people found the following review helpful. Integrates, compares and critiques theories of human behavior as they relate to social work. By AE I found this to be a very valuable textbook because it presents all of the theories side by side, making them easier to compare and critique. The text book tries to balance depth and breadth, and for its page-count I think it does a good job. It is a good reference and launching point for more in-depth study. 0 of 0 people found the following review helpful. I loved the book it was well taken care of By Amazon Customer I loved the book it was well taken care of. Only concerns is trying to get a hold of someone because the policy states I get my money back if returned before 30 days. See all 27 customer reviews...
