spellbound . One is a queen of writing complex human emotions and capturing it beautifully while the other is pro at writing passion The intensity & powerful writing style of both these authors had pulled me in as a reader to reading the stories written by each one of them. But reading this story I was blown by the effortless collaboration and the intensity of the story and how smoothly & effortlessly these two pulled it off . Definitely a must read. Absolutely loved Anika & Abhay characters and their lethal chemistry. So glad I had pre ordered this story as soon as I saw it on Amazon and the minute I saw it delivered on my Kindle I had to read it just couldn't leave the story. There were places which reminded me of Barbara Cartland novel moments. And yes I had the signature moments of M V Kasi's intensities and P G Van's scorching Passion. I am not going to go into any details friends. I would love to dive in again into the world of Singham. The journey of a strong woman who is thrown into the wild and barbarous world of revenge, blackmail, and force is intense and passionate.
