People say not to believe the things you read in magazines, but you know what? Most things you've heard about me are probably true. I totally banged the reporter in the locker room after the championship game last year. Those pictures in Expose from last summer? Those were not modified. I'm also not really six-foot tall. (But let's keep that between us.) Now, I know you're wondering about that last Expose headline—the one about me and my teammate (and ex-best friend) Finn Miller's sister, Layla James. That one is a little more complicated. Here's the thing: I've played football my whole life. If there's one thing I know, it's how to adjust when the game changes. And if there's one thing I always do, it's find a way to win. Granted, the stakes are higher. The playbook has changed. There's more on the line than (another) MVP title. But guess what hasn't changed? Me. I'm still Branch "Lucky" Best and I'm not about to fumble this one. Grab a seat and a subscription to Expose. I'm about to make some headlines. (Again.) From USA Today Bestselling author Adriana Locke comes a fun and flirty STANDALONE NOVEL.

Review Lucky Number Eleven was amazing and one of the best sports romances that I've ever read! - The Romance Bibliophile A Top Pick for 2017! - Dawn, Divas Book Lounge It exceeded my expectations. Usually jock stories surround an arrogant man whore, but surprisingly he was none of those things. - Kitty Kat's Crazy About Books As always, Adriana Locke managed to make my reading moment just perfect with this sweet, sexy, flirty and feels good story. - Chatterbooks Book Blog I wanted something to whisk me away from reality, something that sucked me right in and did wonderful, swoony, feelsy things to my heart. And, y'all? Adriana Locke delivered. - Bookgasms

Book Blog Do you know how much I wanted to call in to work after a three day weekend because I wanted to finish this book? - Crystal's Book World This book is phenomenal! It was funny, sweet, heartbreaking, and everything in between. - Loren, GR This is the perfect story filled with sexiness, fun, friendship, family and football! Go Number Eleven!! - Kara, Two Book Pushers About the Author USA Today and Amazon Top 10 Bestselling author Adriana Locke lives and breathes books. After years of slightly obsessive relationships with the flawed bad boys created by other authors, Adriana has created her own. She resides in the Midwest with her husband, sons, and two dogs. She spends a large amount of time playing with her kids, drinking coffee, and cooking. You can find her outside if the weather's nice and there's always a piece of candy in her pocket. Lucky Number Eleven, her latest novel, releases on Kindle Unlimited on September 7th. Customer Reviews Most helpful customer reviews 0 of 0 people found the following review helpful. Adriana has a touchdown with this sweet and sexy read! By Jennifer ~ Book Starlets Oh how I love a good football player romance! I love their cocky attitudes and their god complexes. Though I much prefer them in books vs their antics in real life. At least these guys are sexy bad boys and not of the criminal variety! Branch Best is a wide receiver, and beast on the field, off the field he's just a player. Though that is what the media says about him. Truly he's a sweet and unselfish man. He doesn't want to bring any woman into the mayhem and madness that surrounds his life. So it's easier to just not commit. I sort of admired that. If you think about the lifestyle they live, on the road or always at work. The doubts that a significant other can have would be damaging to the relationship. But all that changes when he meets his best friends sister. So I kind of think of this as a slightly forbidden romance in a way. Finn says stay away from my sister, and she says mind your own business. But when push comes to shove and life happens in an unexpected way, friendships can be severed easily. I won't say more then that because the plot would be ruined... I really enjoyed this book by Adriana. It was sweet and sexy, had just enough drama, however there was something a little missing for me when it came to the big plot point. I wanted a little more depth with the families of Branch and Layla. It was hinted at and we got little bits but never anything fully flushed out. But other then that it had all the best elements of a good love story and for that I was satisfied as a reader. I did stay up till one o'clock in the morning reading it so that must mean something right! Adriana has a great flow to her writing and I have seen her come a long long way since her first book. Her plot and her development has improved so much since that first book. I truly enjoy her books and I recommend them to everyone. 0 of 0 people found the following review helpful. 4.5 Branch filled stars By Christine Branch and Layla are fun characters who have life hang ups to work through. He's the cocky football player, she's the down to earth blogger/best friend's sister. This is a lighter read compared to some of her other books, but still carries a message. Their chemistry is immediate and believable. Their struggles are legit. They have great banter and plenty of action. One thing I love about Locke books is that character internal battles and growth are what move the story forward. This book is no exception. Take a chance on Branch and Layla and see what they are all about. Don't forget to enjoy the Finn and Poppy ride along the way 0 of 0 people found the following review helpful. 5 SEXY TOUCHDOWN STARS!! By Rhonda 5 SEXY TOUCHDOWN STARS!! Love, Love, Love this top story in Expose magazine. Adriana Locke has passed a winning touchdown with this book. Oh Branch, he is my new book boyfriend, sexy, hot, confident football player and all athlete in everything he does. Layla is beautiful, strong and the sister of his best friend, who has just broken up with cocky football player. These two have so much chemistry they will burn up your pages. This story also has all the feels from laughing to tears in your eyes. I highly recommend this book, it is so good. I voluntarily reviewed an advance reader copy of this book.
