After finishing the book I realized real love do exists By Amazon Customer I bought the kindle edition of the book as hard copy is not available in US. The book was written by Ajay as a tribute to his wife bhavna. I finished the book in single sitting and took about 3 hours to read it. After finishing the book I realized real love do exists. I didn't feel it was his first book , the incident were

described so clearly, the college ragging, his first meeting with bhavna, fresher's party, bhavna came to pune for Diwali and so many other occasions which they enjoyed together. Even how they both managed to get married inspite of different caste. Hats off to their love and determination. I laughed on their sense of humour and I cried for the struggle they went through but i must say the book was written with a heart.. I would recommended to all friends of bhavna to read this book and they will get a chance to know her better. All the best Ajay. 1 of 1 people found the following review helpful. Heart touching and very Emotional By Kindle Customer I never felt as its 1st book of the author.. Very well written.. Though its a real life story of the author but the way he have described all the incidence of life, like admission at college, ragging, love bird days, interviews, bhavna coming pune, train confusion, emotional drama, and last the saddest part.. Everything so well written that I felt like some movie is played infront of me.. At some point I laughed and missed my college days.. I finished the book in one night.. And cried till morning.. Hats off to you Pandeyji, not for only book but for your love for your wife..Ajay Bhavna forever.. 2 of 2 people found the following review helpful. Loved reading Bhavana....we love you dear... By ashish The book was written from heart with full honesty.It might not be a literally epic but good enough to transcend you to Ajays' and Bhavanas' world.As a reader i feel a book is successful when you get so involved that you start feeling one of them - i felt the same with "You are the Best Wife".The first part made me laugh a lot,second part was the bitter true struggle for most of the indian youths and the last part was really really heart touching.Ajay as first time writer you poured your heart out in best possible way - Congratulations...
