

Ebook This is Not Your Story By Savi Sharma

Sometimes, you do not write your story, it writes you. You don't choose your story, it chooses you. But would you believe it if someone told you, 'This Is Not Your Story'? Would you have the courage to rewrite it? Shaurya, a Ca student. This is his story of following his dreams. Miraya, an interior designer. This is her story of believing in love. Anubhav, an aspiring entrepreneur. This is his story of giving life another chance. After her record-breaking debut novel *Everyone Has a Story*, Savi Sharma tells a transforming tale of courage, hope and self-discovery.

Korde I couldn't put this book down and three hours later finished with it I wanted to read something light today and so searching I ran into this book more than the book it was the authors story that grabbed my attention, she was pursuing her CA studies at a point and gave it up to do what she always wanted to do, write a book :) I like such people she reminded me of @Chetan Bhagat even her writing style has traces of his initial books of Chetan it's a good read 0 of 0 people found the following review helpful. Good one , even my story is like shaurya's & I found the courage to chase my dreams! By Ashutosh Pandita Thanks Savi for the inspiration you gave to me, to all the people like me. Really good one Waiting for more! 2 of 2 people found the following review helpful. i would like to say thank you for writting this novel By Amazon Customer Dear, savi sharma i am Aarushi verma.one of my hobbies is reading books.i would like to say thank you for writting this novel. when first time i heard that a C.A. student is going to publish her novel so i was desperate to read cuz i was doing also C.A.first time when i read everyone has a story i really liked it..it was awsm..:) and again when i heard your's second novel is coming again,i was waiting to read it and one of my best friend pre ordered for me because i wanted to read your's signed copy and i got it....as soon as i got this book i started to read and i completed it within a day and became a fan of yours.it was an Awesome book i have ever read.it inspired me alot.every character of this story inspires... SHAURYA is the one i like the most because this character connects with me.i was seeing me in this character and it made me cry and after reading what he did with his life i got the courage to complete what my heart wants.i feel blessed to have this novel in my life because it came at the right time when i needed the most. MIRAYA is one who taught us how we can fight for our dreams and can be happy.she taught us how we can survive after getting so much pain.she proves that girls can be stronger too. ANUBHAV is the one who taught us that after getting achievement if there is no one with you to celebrate specially your's loved ones than no success,no achievment matters.how he started again his life after lossing hopes to live that is awesom. a real book is not one that's read but one that reads us and this book reads us.this book tells us our life story.this book really means alot for me beacuse it effected me alot and inspired me too.i am literally can see the change in me after reading it.all credit goes to you miss savi THANK YOU SO MUCH for writting this:) this book told me that what i am doing is not my story,mine is something else and i found my hidden story which was inside me:) i write too.before reading your book i was feeling like this what i am going to tell you through some lines those i wrote myself. sometimes i am happy,sometimes i am shy, one moment happy.one moment i am cry. i don't want any mess,hate it most, something is missing in me,as i'm lost. i don't tell anyone,i keep it all inside, noone knows my pain,all see my bright side. this is your's life,you have to decide, you want to live or want to die. After reading your book i can say that i want to live and now i know how to live.your book changed me and my way to think about life and i feel very positive. once again thank you so much for inspiring me and telling me through your book that life can be very beautiful if you follow your's heart....i hope new book will come soon.i am waiting for it.. waiting for your reply:) LOTS OF LOVE AARUSHI VERMA See all 6 customer reviews...
