

Read PDF Tuesdays with Morrie: An Old Man, a Young Man, and Life's Greatest Lesson By Mitch Albom

Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final "class": lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world. It's been ten years since Mitch Albom first shared the wisdom of Morrie Schwartz with the world. Now—twelve million copies later—in a new afterword, Mitch Albom reflects again on the meaning of Morrie's life lessons and the gentle, irrevocable impact of their Tuesday sessions all those years ago. . .

Amazon.com Review This true story about the love between a spiritual mentor and his pupil has soared to the bestseller list for many reasons. For starters: it reminds us of the affection and gratitude that many of us still feel for the significant mentors of our past. It also plays out a fantasy many of us have entertained: what would it be like to look those people up again, tell them how much they meant to us, maybe even resume the mentorship? Plus, we meet Morrie Schwartz--a one of a kind professor, whom the author describes as looking like a cross between a biblical prophet and Christmas elf. And finally we are privy to intimate moments of Morrie's final days as he lies dying from a terminal illness. Even on his deathbed, this twinkling-eyed mensch manages to teach us all about living robustly and fully. Kudos to author and acclaimed sports columnist Mitch Albom for telling this universally touching story with such grace and humility. --Gail Hudson From Library Journal A Detroit Free Press journalist and best-selling author recounts his weekly visits with a dying teacher who years before had set him straight. Copyright 1997 Reed Business Information, Inc. From Kirkus Reviews Award-winning sportswriter Albom was a student at Brandeis University, some two decades ago, of sociologist Morrie Schwartz. Here Albom recounts how, recently, as the old man was dying, he renewed his warm relationship with his revered mentor. This is the vivid record of the teacher's battle with muscle-wasting amyotrophic lateral sclerosis, or Lou Gehrig's disease. The dying man, largely because of his life-affirming attitude toward his death-dealing illness, became a sort of thanatopic guru, and was the subject of three Ted Koppel interviews on Nightline. That was how the author first learned of Morrie's condition. Albom well fulfilled the age-old obligation to visit the sick. He calls his weekly visits to his teacher his last class, and the present book a term paper. The subject: The Meaning of Life. Unfortunately, but surely not surprisingly, those relying on this text will not actually learn The Meaning of Life here. Albom does not present a full transcript of the regular Tuesday talks. Rather, he expands a little on the professor's aphorisms, which are, to be sure, unassailable. "Love is the only rational act," Morrie said. "Love each other or perish," he warned, quoting Auden. Albom learned well the teaching that "death ends a life, not a relationship." The love between the old man and the younger one is manifest. This book, small and easily digested, stopping just short of the maudlin and the mawkish, is on the whole sincere, sentimental, and skillful. (The substantial costs of Morrie's last illness, Albom tells us, were partly defrayed by the publisher's advance). Place it under the heading "Inspirational." "Death," said Morrie, "is as natural as life. It's part of the deal we made." If that is so (and it's not a notion quickly gainsaid), this book could well have been called "The Art of the Deal." -- Copyright ©1997, Kirkus Associates, LP. All rights reserved.

Customer Reviews Most helpful customer reviews 3 of 3 people found the following review helpful. Monsieur Albom is likely the best writer I have read By Roger Vann Smith Monsieur Albom is likely the best writer I have read. This saga regarding himself being the player and Morrie his coach presents itself "life's lessons important to the concept of life including of course death." For death comes, or will come to all. Therefore, maybe, just maybe the greatest concept one gathers from life is "trust." All must turn to the proper coach which only comes from "trust." Many roads, or ways bring all to "trust," and maybe the key to "Trust" is belief built upon what else other than LOVE. Amen 0 of 0 people found the following review helpful. Thankful for Authors like Mitch Albom By Amazon Customer LOVED this book! Mitch Albom is one of my all time favorite authors! His books have made me cry, realize the importance of life, has humbled me, and made me get the Most out of my days. If you're into action packed, thriller, kind of novels, he's not the author for you. He is though someone who will make you want to "step it up" in life, so to speak, after reading his books. Mitch will make you say, I Love You more, not just to your family, but to *Yourself*. If you haven't read Tuesdays With Morrie, please do. It's a quick read anyway! 0 of 0 people found the following review helpful. Are you living a life you love? By efu671 This is the book everyone recommends when

someone in your family is diagnosed with ALS. It's the story of one person's choice to document their slow crawl to death from ALS and how he chose to love and live and teach those around him to the very end. It goes straight to your heart and reminds you of the deeper and meaningful side of life in the face of such a terrible disease. For those of us who are facing this disease in your own family, my heart goes out to you. I couldn't read it all in one or two sittings like some of my family did but this book reminded me to not let ALS destroy me too. It motivated me to get back on track to living a life devoted to the things that give meaning to myself, devoted to those I love and devoted to the community around me.
