Finally, a second chance. Yeah I'm rich, but it doesn't fu@king matter if I'm empty inside. Harper is the only woman who has ever filled this crater in my chest and she just walked into my resort after 10 years. One look from her still makes me hard in two seconds flat. In high school, I followed Harper around like a dog wanting a bone. But I was too much of a di@k to treat her the way she deserved, and now her guard is up. She can hate me all she wants. We're drawn together like magnets. And my instincts to possess her are fu@king savage. This time, she's mine. This is a full length stand-alone steamy romance with a happily ever after!

Possessive... By Kae The copy of the book i got had 3 stories in it. As the title name drops one, that's the only one I'm going to review. I. Um. Ok. The story is mostly well written. The characters are interesting. The emotional issues are really intelligent. My, um, issue with this book is a personal pet peeve, so anyone can take it with a grain of salt. And this might turn \*spoiler-ish\* so you've been warned. I can see going in that he's going to lie to her. I know going in that his lie will blow up in his face. I can clearly see she has justifiable trust issues. If you can clearly see the train coming to hit you and you don't get out of the way, it's your fault. And the nonsensical side issues that pop in and out were contrived to say the least. The grandpa issue. The stepdad issue. Dead moms in common. It's all a bit much, and since he knew his lie was lurking, he should have been considerably more convincing with his remorse. But, like i said, it's all pet peeve with me, not necessarily bad writing. Read with? at? for? your own personal taste. 0 of 0 people found the following review helpful. She Mine By CJR This book also contains two additional stories. Harper & Brayden story was more than just a second chance at love. It dealt with mean spirited siblings, secrets, and a near ending that was climatic. Overall enjoyed all three stories. 0 of 0 people found the following review helpful. Way to go! Kira.
