

# Read PDF Anti-Stepbrother By Tijan

He told me to settle. He asked what was wrong with me. He called me an easy target. That was within minutes when I first met Caden Banks. I labeled him an \*sshole, but he was more than that. Arrogant. Smug. Alpha. He was also to-die-for gorgeous, and my stepbrother's fraternity brother. Okay, yes I was a little naive, a tad bit socially awkward, and the smallest amount of stalker-ish, but if Caden Banks thought he could tell me what to do, he had another thing coming. I came to college with daydreams about being with my stepbrother, but what if I fell for the anti-stepbrother instead? \*Stand-alone novel

Review "Tijan delivers a power-punch with Anti-Stepbrother—angst, tension, and an emotional conclusion that'll have you glued to every page. The characters jump straight from the story and claim your heart. You won't be ready to let go." —J.B. Salsbury, New York Times and USA Today bestselling author "One of my TIJAN faves, with a hero to die for and a heroine you'll want as your best friend." —Katy Evans, New York Times Bestselling Author About the Author Tijan didn't start writing till later in life. She's hoping she's doing it right, and if not, she'll continue to keep trying! She is the New York Times, USA Today and Wall Street Journal best selling author of various romances in different genres, which include series and stand alones. She has an English Cocker that she absolutely adores, a man she couldn't be without, and this insatiable need to keep writing the words, all the words!

Customer Reviews Most helpful customer reviews 79 of 82 people found the following review helpful. Caden is my new book boyfriend! By Kara Hildebrand Anti-Stepbrother is a new standalone by Tijan. It's the perfect story about 'you don't always get what you want, but you may just get what you need.' Summer follows her stepbrother, Kevin, to college with delusions of him falling in love

with her. On her first night she meets one of his fraternity brothers, Caden. He's arrogant, gorgeous, sexy, popular and a real a. When she keeps running into him and he's actually helping her and being nice, she's rethinking the a thing. There's something about him, beyond the hotness. He's a nice guy. He's real and he's honest and they actually becomes friends. Real friends. They hang out, drink, watch movies. Then things heat up. Holding hands, snuggling on the couch. One of the things Caden loves about Summer is that she's a little crazy. She says the funniest, most random things. She's nothing like any girl he's ever met before. There's something about her that calls to him. She calms him and he likes being with her. A lot. When he needs her, she's there. No questions asked. He realizes he wants more, but can he trust that she's not still hung up on her stepbrother? Summer has feelings for Caden that have nothing to do with her stepbrother. And while people hate her just because he's her family, she has to fight for herself. She used to be quiet and stay in the shadows and now she stands up for herself and goes after what she wants. And she thinks she wants Caden. Will Caden believe her when she says she's over Kevin? Can Summer finally admit what's really going on? I love Caden and Summer. He's smart, sexy and totally digs her and her quirkiness. Summer is funny, silly and a breath a fresh air! I laughed, cried, swooned, and laughed some more. I also adored the secondary characters. Loyalty, friendship and family are sometimes all we have. "What are we doing here?" I leaned forward, my gaze lingering on his lips. "I didn't really think it through." "And now?" "Still not thinking it through." "You're okay with that?" That truth exploded in me. I wanted him. I wanted this but it was more. I needed this. I didn't answer. I closed the distance between us. Hot damn. Caden was a sex weapon. No guy should be this good in bed. It was too dangerous. "Dangerous, huh?" He lifted his head up. I paused. "I was talking out loud, wasn't I?" He laughed, bending down so his lips rested over mine. "You do that quite often." "I do?" "I rather like the play by play of how awesome I am in bed." His lips brushed over mine, that caress alone sent my heart in somersaults. 1 of 1 people found the following review helpful. Final Score - 4.5 Stars! By Ellie This was my VERY first Tijan book (I do have others, just haven't gotten to them yet) and it DID NOT disappoint! The banter, quips, jokes, comradery, angst - while puzzling at times, just added another layer to the story. I have to admit, I couldn't follow some of the social ethics of life in college - I was never part of any clique or such - so learning about Frat's and Sorority's was not only challenging but foreign to me as well. Summer was confusing as a character to me - I just didn't get how she could love Kevin. There was no redeemable quality to his character. Her relationship with Caden confused me as well, but by the halfway mark - it started to make sense. He let Summer... be Summer. In all her spastic, rambling behavior, I found Summer thru Caden's eyes. And in the end, she grew on me. Caden was a GOD to me from the beginning to the end. The introduction to his past was at times painful to read, but I'm interested in knowing more about Marcus and Colton's dynamic. All in all, I enjoyed this read... even if at times, I became lost but quickly found my way again. 43 of 46 people found the following review helpful. Family Drama, Friendship, Brotherhood, Love, and Caden Banks! By Books4Juliet When you saw your stepbrother kissing another girl, and you've been in love with the said stepbrother for years... you run. But make sure to bump into the hottest fraternity guy--Caden. Caden Banks. Beautiful Caden Banks. Summer Stoltz is a college freshman who've been crushing and pining for her stepbrother for years, even before her dad married Kevin's mom. When she entered college, she hoped to finally be together with him. But sometimes some things don't go well as planned. Especially when dear stepbrother end up being a big jerk and he has a scorching hot fraternity brother who always appear in the right place at the right moment, and saving her butt every single time. So, who is Caden Banks? He's the Anti-Stepbrother. I always love angsty books! Books that can make my heart race. Books that can make my heart hurt and flutter at the same time. These feelings I get from a book are one of the nicest and certainly one of the best things I love about reading. This is why I love Tijan's books. Whenever I will dive into her stories, it's like preparing myself for the next trainwreck. The adrenaline is too high, it's almost intoxicating. Along with the college drama, the characters in this book also cope up with past hurts and unresolved family issues that has always been one of the interesting flavors in Tijan's books. At times, it was heartbreaking and sad, but there was never a lack of sexiness throughout the

story. Though I expected to be blown away, I wasn't prepared for the different waves of emotions as the characters played around friendship, brotherhood, love and family drama. I also appreciate that this book wasn't an instalove romance, but a growing friendship with a simmering love underneath. There were many good things I loved about this book, but mostly I loved Caden's character. He surprised me the most. I thought he was a bad guy with a good heart, but no, he was a good guy with a big heart. Caden Banks is one freaking hot guy. Caden and Summer is a tandem to watch out for. You'll love this couple and you'll wish there is more! I don't think Caden and Summer are made for just a single novel. I believe they are cut for more and bigger stories. I want a second book! It was like reading Mason and Sam from Fallen Crest but different. And it's a good kind of different. It just have this familiar feel, the same feel I get from Fallen Crest Series. Readers who enjoy Tijan's books will surely enjoy this one. I just loved this book! I read it in less than a day! Anti-Stepbrother will bring you to a world of college drama, fraternity and brotherhood, where there are lies and betrayals but also where unexpected friendship and love may be found. It was a one wild roller coaster ride. See all 963 customer reviews...
